(Communications with the Contracting Officer shall be made through Lockheed Martin. In paragraph (b), 10 days is changed to 20 days.)

(a) The Contractor shall not release to anyone outside the Contractor's organization any information (e.g., announcement of contact award), regardless of medium (e.g., film, tape, document), pertaining to any part of this contract or any effort directly related to the F-35 Lightning II Joint Strike Fighter (JSF) Program unless—

- (1) The F-35 Joint Program Office (JPO) has given prior written approval;
- (2) The information is otherwise in the public domain before the date of release; or
- (3) The information is being released to associate contractors, subcontractors, suppliers, or vendors who require the information for execution of work under an F-35 Lightning II JSF contract.

(b) Requests for approval shall identify the specific information to be released, the medium to be used, and the purpose for the release. "Information" includes, but is not limited to, news releases, articles, manuscripts, brochures, advertisements, still and motion pictures, speeches, trade association meetings, symposia, and professional papers to be published. The Contractor shall submit the original and 1 copy of the information proposed for release to the JSFPO at the following address:

F-35	Joint	Program	Office
Attn:	Public	Affairs	Officer
200	12th	South,	Suite 600
Arlington, VA 22202-5402			

Where practicable, requests and the specific information may be provided to the Public Affairs Officer using an electronic medium appropriate for the security level of the information being transmitted. The Contractor shall submit its request to the Public Affairs Officer at least 15 working days before the proposed date for release.

(c) The Contractor shall include a statement indicating the project or effort depicted was or is sponsored by:

F-35	Joint	Program	Office
Arlington, VA 22202			

(d) The Contractor agrees to include a similar requirement in each subcontract or purchase order under this contract. Subcontractors, suppliers, and vendors shall submit requests for authorization to release through the prime contractor to the Public Affairs Officer.

H-14 5252.227-9507 NOTICE REGARDING THE DISSEMINATION OF EXPORT-CONTROLLED TECHNICAL DATA (NAVAIR) (OCT 2005)

- (a) Export of information contained herein, which includes release to foreign nationals within the United States, without first obtaining approval or license from the Department of State for items controlled by the International Traffic in Arms Regulations (ITARs), or the Department of Commerce for items controlled by the Export Administration Regulations (EAR), may constitute a violation of law.
- (b) For violation of export laws, the contractor, its employees, officials or agents are subject to:
 - (1) Imprisonment and/or imposition of criminal fines; and
 - (2) Suspension or debarment from future Government contracting actions.
- (c) The Government shall not be liable for any unauthorized use or release of export-controlled information, technical data or specifications in this contract.
- (d) The contractor shall include the provisions or paragraphs (a) through (c) above in any subcontracts awarded under this contract.

H-19 WORK SHARE AGREEMENTS

The Contractor shall not enter into any new work share agreements with any subcontractors that specify that a subcontractor will receive a certain amount of business based solely on a dollar amount or percentage of contract or program cost.

H-23 5252.211-9510 CONTRACTOR EMPLOYEES (NAVAIR) (MAY 2011)

(a) In all situations where contractor personnel status is not obvious, all contractor personnel are required to identify themselves to avoid creating an impression to the public, agency officials, or Congress that such contract

(a) During the performance of this contract, the Government may use an independent services contractor (ISC), who is neither an agent nor employee of the Government. The ISC may be used to conduct reviews, evaluations, or independent verification and validations of technical documents submitted to the Government during performance.

(b) The use of an ISC is solely for the convenience of the Government. The ISC has no obligation to the prime contractor. The prime contractor is required to provide full cooperation, working facilities and access to the ISC for the purposes stated in paragraph (a) above.

AN/APG-81 AESA radars to be incorporated into LRIP Lot 8 F-35 aircraft to be delivered under this contract contain high performance magnets in the circulators that do not comply with the specialty metals restrictions contained in DFARS 252.225-7009, Restriction on Acquisition of Certain Articles Containing Specialty Metals (JUN 2012). Pursuant to 10 U.S.C. § 2533b(k), the Under Secretary of Defense (Acquisition, Technology, and Logistics) approved on 14 November 2012 a national security waiver authorizing the Department of Defense, acting through the Naval Air Systems Command and the Defense Contract Management Agency, to accept LRIP Lot 8 F-35 aircraft with AN/APG-81 AESA radars containing non-compliant specialty metals in the high performance magnets in the circulators.
