- (b) The said property shall be governed by the terms and conditions of the contract(s) under which it is accountable.
- (c) The contractor is responsible for scheduling the use of the said property. The Government shall not be responsible for conflicts, delay or disruptions to any work performed by the contractor due to use of the property under this contract or any other contracts under which use of such property is authorized.

H-8 - MARKING AND DELIVERY OF NONCOMMERCIAL COMPUTER ichvc8.4(N)6.4(ER)-4.1()-308ichvc8.4(N)6.4(ER)

is defined as occurring when a Lockheed Martin developer commits computer software source code and/or computer software documentation by way of saving software by performing a "git push" or similar command to the Government Repository. Commits shall occur, at a minimum, at the conclusion of each workday in which the software code or computer software documentation are modified.

For the purposes of this clause, the "Government Repository" is defined as the JPO Managed Cloud, unless otherwise agreed to by the parties.

- 2. The parties further agree that all noncommercial computer software and computer software documentation Committed into the Government Repository and utilized in performance of this contract shall be marked in accordance with DFARS 252.227-7014(f). Specifically, in accordance with DFARS 252.227-7014(f), only the following legends are authorized under this contract: (1) the government purpose rights legend; (2) the restricted rights legend; (3) the special license rights legend and/or (4) a notice of copyright as prescribed under 17 U.S.C. 401 or 402. With the exception of any markings that are required in Section D of this contract, all other markings including contractor proprietary markings are not permitted and will be treated as nonconforming with DFARS 252.227-7013(f) and 252.227-7014(f). The Contractor shall remove any nonconforming markings within 48 hours of notification from the Government.
- 3. The term "deliverable" as used herein shall have the same force and effect as an item that is delivered pursuant to a DD 1423, Contract Data Requirements List (CDRL).
- 4. To the extent that the Contractor identifies the need for subcontractor participation that requires delivery of noncommercial computer software or noncommercial computer software documentation pursuant to this clause, the Contractor shall flow the terms and conditions stated herein to the applicable subcontractors. In the event that a subcontractor non-concurs with these requirements, the Contractor shall obtain the Contracting Officer's written consent for any terms and conditions that deviate from this clause prior to authorizing the subcontractor to begin work. Additionally, the Contractor will work with the Government to identify alternatives as required.

- 2. Suspension or debarment from future Government contracting actions.
- c. The Government shall not be liable for any unauthorized use or release of export-controlled information, technical data or specifications in this contract.
- d. The contractor shall include the provisions or paragraphs (a) through (c) above in any subcontracts awarded under this contract.
