ARCADIS of New York, Inc.

465 New Karner Road
Suite 2

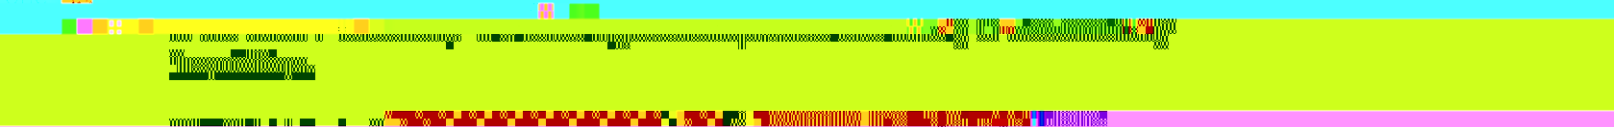

activities were Phone: 518-486-3300 Fax: 518-486-3301 www.arcadisusa.com

Utica, New York. Closure

Capped or plugged each of eight WWTP influent and effluent pipes.

As indicated in the final report, ARCADIS was recommended to install a bypass for the

and June. The bypass was completed by ARCADIS between June

and June 1, 2011.

As shown in Table 1, the

of leaking piping observed into the WWTB base

Section 101
